

**Morehead State University**  
**2018-19 Official Record of Active Academic Programs and 2017-18 Degrees Awarded**

There are 88 instructional program classifications\* and 213 institutional programs\*\*.  
 At the undergraduate level, there are 59 instructional program classifications\* and 142 institutional programs\*\*.  
 At the graduate level, there are 29 instructional program classifications\* and 69 institutional programs\*\*.

\*Instructional program classification is the general area of study as defined by the six-digit CIP code and the degree level.  
 \*\*Institutional Program is the detailed major of study at the institution within each instructional program classification.
