PROFESSIONAL STUDIES PROGRAM APPLICATION

COLLABORATIVE PROGRAM BETWEEN EASTERN KENTUCKY UNIVERSITY AND MOREHEAD STATE UNIVERSITY

Do you need a bachelor's degree to advance in your career? Morehead State University and Eastern Kentucky University have teamed up to create a path for you to complete a bachelor's degree while staying close to home. By jointly offering courses in a convenient rotation each semester at several locations, students who have already earned an Associate of Applied Science degree can complete a baccalaureate degree from MSU or EKU in a shorter amount of time.

Choose Morehead State or Eastern as your "home" school, and attend classes at the University Center of the Mountains, MSU Jackson campus, EKU Corbin campus, EKU Manchester Campus or online with other students who also need an accelerated option for degree completion. Classes will be taught by MSU's and EKU's esteemed faculty and will be offered in ITV, online and in-person classroom instruction formats.

Applicants will be able to choose one of two pathways toward degree completion:

1) Bachelor of Arts: Professional Track - General Studies at EKU, or;
2) Bachelor of University Studies - Professional Studies at MSU.

Students will have the benefit of taking courses that count toward degree completion from both EKU and MSU to fit in their schedule.

Complete the attached application and request your official transcripts be sent to your "home" school. Requirements to the program include: minimum cumulative grade point average of 2.0 (on a 4.0 scale) or above on your college coursework and completion of your Associate of Applied Science degree. Note: if you are in your last term prior to graduation, contact the registrar's office and request that they send a letter stating that your degree is pending; the official transcripts will need to be sent after the degree has been posted.

NO APPLICATION FEE!

Priority application deadline for the fall semester is August 1st; priority deadline for the spring semester is December 1st.
