“Community Engagement: A Light to and from the Mountains”

The Professional Education Unit at Morehead State University delivers rigorous, high quality programs that prepare professionals informed by best national and international scholarship, plus research, literature, and experiences specific to Appalachia- preparing professionals to improve the schools, quality of life, and the communities in which they live and serve. This statement is not only the strategic mission for the College, but it also incorporates the conceptual framework that guides all our activities.

Conceptual Framework Outcomes (CFO's):

The Unit and the faculty within individual programs assess the degree to which its graduates:

- 1) Master the content knowledge, professional and the twenty – first century skills need to make an optimal contribution to “whole” student learning in education settings.
- 2) Are competent in the collection and use of data to inform decision – making and to demonstrate accountability for student learning.
- 3) Demonstrate professional dispositions

- 4) Are culturally competent and understand the regions from which they have come utilizing knowledge and experiences to effectively “bridge the gaps” (economic, achievement, and geographic) ensuring optimal learning for all students.
- 5) Engage in authentic field experiences in collaboration with committed school – based partners and are empowered to improve the quality of education throughout this region and beyond.

Assessments and SLO Alignment	Course Learning Activities
Assessment (point value)	Description
Exams (200 pts) SLO: 1,2,3,5,7	Exams: Exams will consist of questions from the lecture, class activities and assigned textbook readings. They will take the form of multiple choice and short answer questions. Each exam will be worth 100 points. No make-up exams will be allowed unless prior (before the start of class) arrangements are made. Make-up exams will consist of essay questions.
Discussion Board (50pts) SLO: 1,2,3,4,5,6,7,8	Online Discussion Participation: Students will be required to participate in several discussions facilitated by both the instructor and their peers. Students will be required to post a minimum of 3 times for each discussion window and within those posts, students will be required to cite professional information and resources from research and/or class presented powerpoint presentations.
Diversity Group Project (100pts) SLO: 2,3,8	Diversity Group Project: Students will complete internet research and collaborate with peers on an assigned mental health issue for a special population to create a powerpoint presentation, discussion, and handouts that incorporate appropriate accommodations for the diversity needs of a special population.
Healthy Grief Exercise & Reflection Paper (50pts) SLO: 1,2,6,7	Healthy Grief Exercise & Reflection Paper: Following in class discussion of readings on healthy grief, students will have an opportunity to either write an individual obituary or visit a cemetery and read at least ten tombstones. They will then be asked to complete a reflection paper on the exercise. The purpose of the assignment is to provide the student with an opportunity to become aware of their personal beliefs, attitudes, etc. about the experience of grieving. The reflection paper also provides an opportunity to develop articulate writing skills.

Class Attendance (50 pt) SLO: 1,2,3,4,5,6,7,8	Class participation: Both the in class activities as well as the discussion board topics create active learning opportunities designed to assist the student in the mastery of the material. Students are expected to attend class and participate in the discussion board as well as complete assignments and exams in order to get the full benefit of the class. There are both class points for attendance, but there is also a strict attendance policy that can result in a student's grade being lowered as much as one full letter grade if the student exceeds the guidelines of the policy.
TOTAL – 450 pts.	

ATTENDANCE:

This class employs an active learning process in the classroom meetings so it's very important to attend class. There will also be some discussion board activities that will be interactive, so please make every effort to be in class whether in person or on the discussion board. **During the course of a semester, if a student misses more than 3 face meetings of this class, the semester grade will be dropped by one letter grade. Medical and/or other emergencies will be considered on a case by case basis and will require documentation.**

ASSIGNMENTS:

Assignments are to be completed and turned in by due dates. If a problem arises that prevents completing your assignments on time, please discuss the situation with your instructor **before the due date of the assignment. If the extenuating circumstance is illness or a death in the family, appropriate documentation will be required. No late assignments will be accepted unless such prior discussion and/or documentation has been provided in a timely manner to the instructor.**

EXAMS:

No makeup exam will be given unless very extenuating circumstances prevent your taking the exam. Such circumstances will require documentation. If such circumstances arise, please notify me as soon as feasibly possible. Regularly scheduled exams will be an objective & short essay format. Make-up exams will be an all essay format.

Extra Credit:

There may be some extra credit opportunities offered over the course of the semester. Details will be discussed in class when such options are available.

TENTATIVE CLASS SCHEDULE

Note: The class schedule is always tentative based on the needs of the class. Therefore, the instructor reserves the right to change the schedule. Changes will be posted on the announcement board of blackboard and announced in class meetings.
