**A Note About Hybrid Courses**

Hybrid Courses offer you the best of both worlds: Face-to-face Classroom with the convenience of Internet. Hybrid classes meet 3 or 4 times a semester for extended class sessions combined with approximately half the course work completed via the Internet. MSIS Hybrid courses meet on Saturdays from 9am to 3pm on announced dates **only** (3 or 4 sessions). If dates are not listed on the schedule, you can contact the instructor or MSIS Director for schedules.
