

Curriculum Map: INTERDISCIPLINARY EARLY CHILDHOOD EDUCATION (Effective 2006)

NOTE: If you are required to complete any developmental courses, you may not be able to complete the degree in four years. This curriculum map assumes that you have not transferred in any previously completed college level courses. This is meant to serve as a **general guide**. At the time a student selects a specific program they must meet with their advisor to plan their program of study

Most core courses in this program are offered once a year in the indicated semester.
