

Dr. Richard Hunt Memorial Scholarship
Application Criteria
Physical Sciences -Chemistry - Morehead State University

To apply for the \$800 Dr. Richard Hunt Memorial Scholarship in Chemistry, you must:

- submit this completed application by February 13th. Review of applications will begin and notification will be made by March 13th. Late applications will be accepted until April 17th. Review of late applications will only occur if no award is made/accepted from the applications submitted before February 13th. The date for notification of an award from late applicants is variable.
- be a recent graduate of a high school in Kentucky and a first time freshman enrolling at Morehead State University in the Fall 2009 semester.
- have a high school GPA of 3.50 or higher.
- have a Math ACT subscore of 23 or higher.
- have completed a pre-college curriculum with no deficiencies.
- submit an official high school transcript with this application or have one on file at the MSU Enrollment Services office.
- submit the proper forms at MSU registration and formally declare chemistry as your area of concentration or major.
- be willing to accept the scholarship, understanding that it is non-renewable.
- understand that any funds awarded will be transferred from the MSU Foundation directly to MSU's Financial Aid office to be applied towards tuition and other fees.
- understand that \$400 will be awarded for the Fall 2009 semester and a \$400 award for the Spring 2010 semester is contingent upon a cumulative 3.00 GPA in the fall semester and adequate progress toward the chemistry degree as determined by the chemistry faculty.
