

Sport Management

Program Description: This agreement allows students to complete courses at KCTCS that will prepare them for entrance into the Sport Management program that is a part of the Department of Health, Physical Education, and Sport Sciences. Students will learn management, leadership, ethics, public relations, marketing, financial management, research, and legal aspects in sport. As part of the program they will have the opportunity to be involved in actual field experiences in sport management.

Status: Reviewed in 2002 and currently being reviewed.
