UAR - Admissions

SCOPE (Who is covered by this UAR?): All students enrolled at Morehead State University; others as special status students if they hold a high school diploma or a General Education Development (GED) certificate.

DESCRIPTION:

Eligibility: Any Morehead State University student may enroll for telecourse credit. Full-time students must obtain permission to enroll in telecourses from the department chair or dean of the college in which the telecourse is offered. Others may register as special students for telecourse credit if they hold a high school diploma or a General Education Development (GED) certificate.

Admission as a special student for telecourse credit does not necessarily qualify participants for regular admission to residence study.

Registration: Students may register for telecourses during any registration period. Telecourses count toward full-time residency status, and they may be taken in the last sixteen hours before graduation.

Enrollment Fee: An enrollment fee for telecourses is set by action of the Board of Regents.
