

Guide to Accessible Building Entrances

Academic-Athletic Center

Enter at ground level through the main entrance doors. No automatic door opener. Seating for events is at floor level. The McClure Pool can be accessed from the sidewalk leading from its parking lot, or from inside the AAC via rampway. A lift is available for access into the swimming pool.

Adron Doran University Center

There are two accessible entrances at the front of the building. From the far left corner entrance, go through two sets of doors and take an immediate left to reach the elevator. From the center entrance, go through two sets of doors, and the elevator is straight ahead on the right.

Adult Learning Center

Entrance is through the back of the building on the left. No automatic door opener.

Allie Young Hall

The accessible door is at ground level at the front of the building. Starting from the bell tower, use the series of ramps and sidewalks approaching the library, and then take the sidewalk leading toward Allie Young Hall on the right. The ramp to the door is below a wide concrete staircase. The elevator is at the end of the first hallway on your left.

Alumni Center

Short incline at main door entrance. No automatic door opener or elevator.

Alumni Tower

The accessible door to the cafeteria is at the rear of the building. Starting from the main entrance, take the sidewalk in front of Cooper Hall and then use the crosswalk toward Alumni. Enter through two sets of doors. Once inside the cafeteria, the elevator is past the main dining area on the right.

Baird Music Hall

Consists of two distinct buildings and an external crosswalk. An accessible door is located at the far left side and serves the first building's ground floor as well as linking through room 117 to the bottom level of Duncan Recital Hall. For entrance to the second building, take the sidewalk parallel to the front of the building, making a left turn onto the elevated crossway just past the canal. The elevator is inside the first glass door on the right, and accesses the second floor of both buildings and the upper level of the Duncan Recital Hall. No automatic door opener.

Bell House (Career Services Center)

Accessible ramp located at front entrance; no elevator.

Blair House (Center for Regional Engagement)

Ramp located to the right of the front entrance and leads to accessible door; no elevator.

Breckinridge Hall

The accessible door is on the front of the building at the far left side. Take the long hallway to your right, pass through the main lobby, and turn left at the next hallway to reach the elevator.

Brumagen House (Master of Arts in Teaching)

Accessible ramp on right side of the building.

Butler Hall

Ramp is located at right side of main entrance. A ramp immediately inside lobby gives access to first floor. No automatic door opener or elevator.

Button Auditorium

The accessible door is located on the front of the building at the far right side. Use the sidewalk leading past the center entry stairs. There is no elevator in Button.

Camden-Carroll Library

There are two accessible entrances to the Library. From the front, a series of ramps and sidewalks leads from the bell tower to the base of an outdoor staircase on the right side of the building. Press the call button on the door to signal a library employee to open it. Once inside, the elevator is on the right. From the back of the library near the top of the outside staircase, press the call button on the door for library personnel. Once inside, the elevator is at the opposite end of the room on the back wall.

Claypool-Young Art Building

The accessible door is located on the front of the building at the far right corner. Immediately enter through a second accessible door and continue to follow the winding hallway, past the main entrance and central gallery. The elevator will be on your left.

Combs Building

The accessible door is on the back of the building, directly across from a parking lot. Once inside, take the ramp on the left to reach the elevator.

Cooper Hall

The accessible door is on the front of the building, at the end of a ramp on the left. There is no elevator in this building.

Cora Wilson Stewart Moonlight School

Located on First Street in downtown Morehead, this building has a ramp at the back entrance. Tours are available through the Kentucky Folk Art Center, 606.783.2204.

Derrickson Agricultural Complex

University Farm is located on Cranston Road/377. There are some accessible buildings at this location. Contact 606.783.2802 for assistance.

Eagle Lake Apartments

The accessible door is at the center entrance to the building. The elevator is just inside on the right.

Enrollment Services/Admissions Center

Enrollment Services is located in the Admissions Center. The accessible door is on the right side of the building near the parking lot. Entry point is directly to the Admissions staff. The receptionist will route you from inside the building to the Financial Aid staff. There is no elevator in this building.

Fields Hall

The accessible door is on the front of the building, to the right of the main stairway entrance. Turning left will lead directly to the elevator.

Ginger Hall

There are accessible entrances on both sides of the building. From the front, take the ramp that runs parallel to Ginger Hall, then the ramp next to Rader Hall, followed by a third ramp to your left, leading directly to the front entrance of Ginger Hall. The accessible door is on the left. Once inside, the elevator is at the end of the lobby on the left. From the back of the building, take the ramp to the left of the stairs. This entrance opens onto the third floor. Once inside, the elevator will be on the right.

Grote-Thompson Hall

The accessible door is at the front of the building, to the left of the stairs. The elevator is directly across the open room.

Honors House

At end of driveway, a ramp leads to door at back of the house. No automatic door opener or elevator.

Howell-McDowell Administration Building

The accessible door is at the front left side of the building. From the ramp, the access door is on the right side. The elevator is down the hall to the right followed by an immediate left at the end of that hall.

Jayne Stadium

Ramps to grandstands are available from each gate.

Kentucky Center for Traditional Music

Main Street entrance is at ground level. No automatic door opener and no elevator.

Kentucky Folk Art Center

Ramp on left side of building. No automatic door opener

Lappin Hall

The accessible door is at the main front entrance. Once inside the two double doors, the elevator is directly ahead.

Laughlin Health Building

The accessible door is on the front of the building. From the rear parking lot, take the ramp at the far right side of the building, which leads to the accessible entry on the front. There is no elevator in this building. Note: there is not an accessible route from inside this building to the adjoining Wetherby Gymnasium.

Lloyd Cassity

The accessible door is located on the front of the building on the left side. Once inside, take the first right. Turn left by room number 107, and the elevator is straight ahead.

Mays Hall Apartments

The accessible door is the main entrance at the front of the building. After entering an interior access door, the elevator will be on your left.

Methodist Student Center

Ramp in front of building leads to first floor entry. No automatic door opener or elevator.

Mignon Hall

The accessible door is at the front of the building. Approach the door across the right front courtyard. Once inside, the elevator is straight ahead.

Newman Center

The accessible entrance is at the side of the building, directly in front of the handicap parking lot. An elevator is immediately inside. There is no automatic door opener.

Nunn Hall

The accessible door is underneath the building at the end of a ramp. The elevator is located just inside the lobby.

Palmer Development House

Ramp on left side of building leads to first floor entry. No automatic door opener or elevator.

Phillips House

Ramp leads to front door. No automatic door opener or elevator.

President's Home

The accessible entrance is at the back of the house, and is approached from the sidewalk in front of Button Auditorium. A metal gate with a pull-slide latch must be opened, after which a sidewalk leads across the yard to the house. A self-operated outdoor lift to the side porch will give access to the first floor. Note: this is a private residence so prearrangement may be necessary to use these accessibility features.

Rader Hall

The accessible door is behind the building. Take the ramp parallel to Ginger Hall, followed by the ramp next to Rader, followed by a third ramp leading to the front of Ginger Hall. Bear right across the patio toward Rader's entrance. Once inside, the elevator will be on your immediate right.

Reed Hall

The accessible door is at the main entrance, beneath an elevated walkway. The ramp to the door comes from the right side. Once inside, the elevator is on the immediate left.

Space Science Facility

The accessible entrance is at ground level at the front of the building, where two consecutive doors lead to the rotunda. The first hallway to the left leads to a self-operated wheelchair lift, which opens onto the floor of the Star Theatre. To reach the building's second floor, from the rotunda take the hallway on the left, and the next hallway to the right. The elevator is located just past the restrooms.

University Softball Field

Spectator access is reached via a ramp on the left side of the bleachers. Access to the field is through the gate next to the restrooms.

Waterfield Hall

The accessible door is on the front side of the building, to the left of the main entrance. There is no elevator in this building.

Wellness Center

Front entrance is at ground level. No automatic door opener.

Wetherby Gym

Enter the gym through the center doors at the Main Street entrance. No automatic door opener. During scheduled community events, doors will be unlocked; at times when admission requires check-in from another location, call 606.783.2035 and a University officer will admit you at this entrance. Note: there is not an accessible route to the gym from inside the adjoining Laughlin Health Building.
