

Connect your iPhone/iPod Touch to MSU Wireless

1. To connect your Apple iPhone/iPod Touch to MSU's Wireless Network, first tap settings on the home screen.

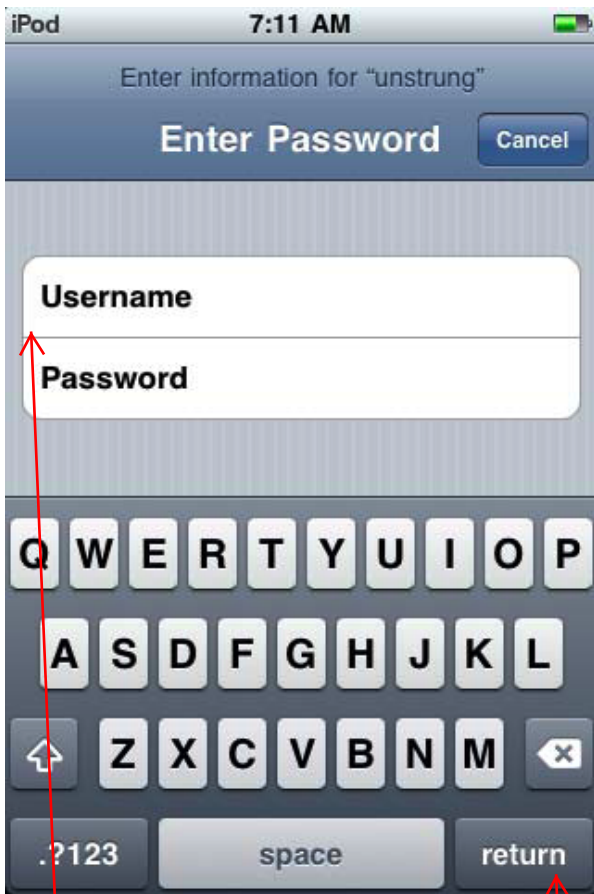

2. Tap Wi-Fi

3. Make sure your Wi-Fi is ON

4. Under Choose a Network... Tap unstrung

5. Using your keyboard, enter your MSU ID # (m0000000) as the Username. Enter your EAC password; this is the same password you use to access your MSU email.

6. Your Return button will become "Join". Tap it to continue.

7. Tap Accept to verify MSU's wireless certificate

8. You will see a check mark next to unstrung, once you are connected.
