

MOREHEAD STATE UNIVERSITY

Annual Donor Report

2009

Including gifts made between January 1 and December 31, 2009

Thanks to your support dreams are coming true.

Dear Alumni and Friends,

The past year has presented extraordinary financial challenges to the entire higher education sector. However, in times of economic duress, the true mettle of Morehead State University and its supporters is revealed. Thank you for your continued support of the University and for making an impact in all areas of academic excellence.

Each and every gift to the University is important. The effect of your generosity on the University's stature and strength is hard to overstate. Your support permits us to recruit competitive students and to open our doors to many who could not otherwise afford an education. In good times, and especially in not so good times, careful stewardship of your gifts is critical. We've prepared this annual donor report with you and your gifts in mind.

During 2009, Morehead State University received \$2,637,415 in private support. On behalf of our 9,046 students, nearly 1,200 faculty and staff members, and especially the leaders responsible for stewarding and guiding the University's future, "Thank you for all you do for Morehead State University." And, we thank you in advance for what you will continue to do.

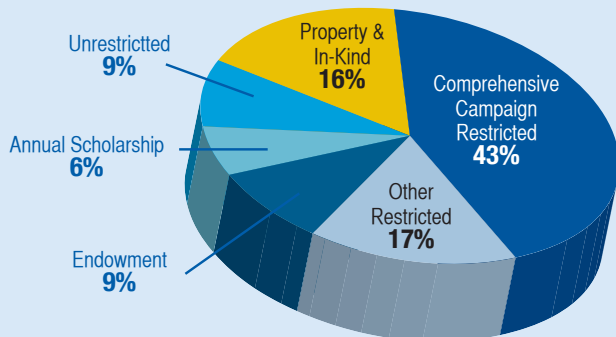

Very truly yours,

James A. Shaw
Vice President, University Advancement

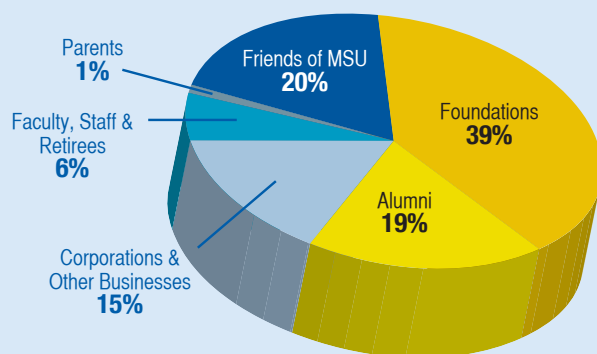

MSU Foundation Statistics

Morehead State University is focused on affordability and accessibility. Although Morehead State receives a portion of the total budget from state appropriations, to advance the University, public-private partnerships must be strengthened through your support. State funding provides the means for a basic education, and private support turns a basic education into an exceptional one.

CIRCLE OF EXCELLENCE

During the past year, MSU was fortunate to have several individuals join our new annual giving recognition society, the Circle of Excellence. Their leadership gifts, combined with unrestricted gifts of other annual donors, allowed the MSU Foundation to meet nearly \$250,000 in campus needs. This was the first year we instituted the University Needs List process in which any area of the campus could submit a request for funding of a need to enhance a program. The needs were prioritized by the President's Cabinet and funding was directed to nearly every area of the University. Some of the funded initiatives included:

- Upgraded classroom computers, improved student study areas, and computer software upgrades across campus
- Provided and increased number of Nontraditional Student Scholarships
- Improved Button Auditorium lighting system
- Supported the University Marching Band and University Pep Band
- Supported overseas study for language majors and minors
- Purchased a new MSU Beaker costume and cheerleading uniforms
- Upgraded Industrial and Engineering Laboratory
- Supported the Emerging Leaders Symposium for current students

Circle of Excellence Membership Benefits:

To show the University's appreciation for the support of members of the Circle of Excellence, these donors receive several unique benefits including a specially designed broach or lapel pin signifying their level of support, an MSU Circle of Excellence static decal signifying their level of support, recognition in the annual donor report, recognition at an MSU donor recognition event, and special invitations to other annual campus events.

How to Join:

Contact the Office of Development at (877) 690-4483 or e-mail giving@moreheadstate.edu. Membership in the Circle can be achieved through a one-time annual gift or quarterly or monthly gifts.

Circle of Excellence Members

The following individuals have responded to the call to provide financial leadership to Morehead State University's greatest needs by joining the Circle of Excellence. Thanks to the generosity of these donors, the University is continuing to move forward in all areas.

All unrestricted annual gifts made during the 2009 calendar year count toward Circle of Excellence recognition in one of five levels.

MSU Campus Giving Campaign

Each year, MSU encourages faculty and staff to give back to the University by contributing to the Annual Campus Giving Campaign. This year, 70.2 percent of our employees gave more than \$166,900 to everything from scholarships, academic and athletic programs, research and unrestricted gifts to the areas of greatest need on campus. Each gift, large or small, impacts the lives of our students every day. Since the inception of the Campus Giving Campaign 12 years ago, faculty and staff have given \$1.8 million to MSU.

The commitment of MSU employees demonstrates that we, who know the University best, are dedicated to ensuring continued excellence for many years to come. The success of this campaign is a true testament that MSU is a great place to learn, work, and serve. Thank you to all faculty and staff for your dedication and outpouring of support to MSU!

"Even before I came to MSU in 1984 as a student from Morgan County, I could see the impact that MSU had on its students and our region. Like so many others, MSU was, for me, a true light to the mountains. I am proud to work at MSU because I believe in our mission, the commitment of our faculty and staff, and the talents

of our students. I am proud to give back to MSU because I know that MSU will always be a light to the mountains to improve the quality of life for our students and the people in our service region."

- **Craig Dennis (89)**, provisional studies coordinator; campaign co-chair

"Giving back to MSU is the best way for me to show thanks to the place that is a huge reason for what I am and who I am today. The appreciation that I have for the experiences I enjoyed and the people that helped shape me during my time at MSU is immeasurable."

Donnie Tyndall (93), head men's basketball coach; campaign co-chair

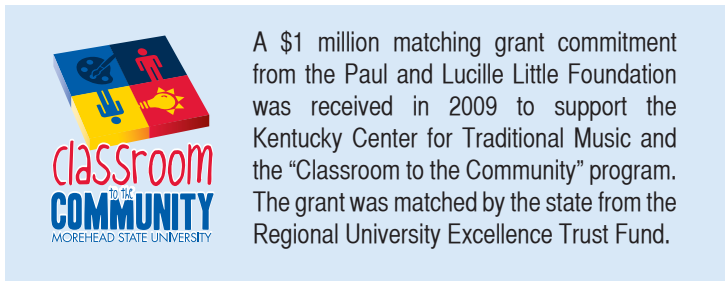

A complete list of MSU Faculty and Staff members who contributed to the 2009 Campus Giving Campaign can be found online at www.moreheadstate.edu/campuscampaign.

Seven Ways to Remember Morehead State University

There are many ways to remember MSU in your estate plan, and you may be surprised to discover how inexpensive most of these are to accomplish. Here are seven options to consider:

1. Amend an existing insurance policy to add MSU as an additional beneficiary. You could also purchase a new policy for MSU's benefit.
2. Visit your personnel office and ask to amend your group life insurance policy or retirement plan to add MSU as one of your beneficiaries.
3. Instruct your lawyer to prepare a simple, inexpensive codicil to your existing will, creating a bequest for MSU.
4. If you're over 65 and disappointed with the income you are receiving from your long-term stocks or your certificates of deposit, consider MSU's charitable gift annuity program. Besides providing attractive tax benefits, this easy-to-accomplish gift may reward you with higher an annual income.
5. Deed your house to MSU and continue to live in it. Your income tax savings from the gift may cover the legal costs.
6. Leave written or verbal instructions for your surviving spouse to include MSU when redrawing his or her will (which will be necessary).
7. If you have a sizable estate, let us show you how a charitable trust may benefit both you and MSU. Again, the tax advantages are significant and may offset any legal costs.

Some of the gift arrangements are revocable and others cannot be changed once established. Some work better with cash and others with appreciated assets. There are many variations and a giving plan can be tailored to your needs, desires and capabilities.

The MSU Planned Giving Web site, www.morehead.planyourlegacy.org, also can provide you with details on planned giving. The site offers general information as well as research tools such as a gift calculator to show the benefits of making a planned commitment to MSU. You may also contact the Office of Development at 1-(877)-690-4483 for more detailed information.
