

MOREHEAD STATE UNIVERSITY

2008 Annual Donor Report

Including gifts made between January 1, 2008 and December 31, 2008

Thanks to your support dreams are coming true.

The lists that follow contain names of those who make a difference at MSU. Gifts entrusted to the University through the MSU Foundation help shape the lives of all of today's students. Every gift makes a difference and together those gifts help provide students with scholarships, fill library shelves, recruit outstanding professors, enhance classrooms' resources and support many other causes that remain critical to Morehead State University's mission of providing high quality education at an affordable cost.

The ripples created by private support reach far beyond what you may witness this year. The support received each day makes a lasting mark on MSU as the University continues to progress.

Morehead State University educates students who will both serve and change communities throughout their lifetime. They will finish their journey at MSU and take their knowledge and put it to work, changing the world around us. Few other contributions to nonprofits result in the breadth of impact held by your gift to Morehead State University. Thanks to your support, dreams are coming true.

The Office of Advancement has made every effort to ensure this publication's accuracy. If you suspect your name was inadvertently omitted or you believe there to be any discrepancies within this report, please call the office at 1-877-690-4483 or e-mail giving@moreheadstate.edu. If a mistake was made, we truly apologize.

Where dreams take root
...and grow.

THE 1887 SOCIETY

The 1887 Lifetime Giving Society is Morehead State University's most prestigious donor recognition organization. Members of the 1887 Society have made a substantial commitment of personal resources to ensure the University's success over time. The 1887 Society recognizes four levels of lifetime cumulative giving, beginning with a total of \$50,000.

Individuals become members of the 1887 Society based on their cumulative giving over time to MSU through the MSU Foundation, Inc. Cumulative giving is based on gifts pledged or received through the calendar 2008 year, and totals include employer-matching gifts. Qualifying gifts include confirmed commitments of cash, securities, real estate, or gifts-in-kind.

Donors whose current gift level or cumulative giving is in the \$1,000,000 and above range.

A healthy partnership

A new health sciences facility in Morehead will soon be constructed through a partnership of Morehead State University, the University of Kentucky and St. Claire Regional Medical Center.

The facility will house MSU’s departments of nursing and imaging sciences, UK’s physician assistant and family nurse practitioner programs, in addition to a freestanding primary care clinic, and comprehensive health education center.

The clinic will serve as the primary training site for the SCR/UK family practice residency program and will include examination rooms, a dental suite, as well as provide for a clinical laboratory and basic radiology services. The comprehensive health education center will be designed to accommodate a wide range of continuing education/workshop programs, teleconferencing and telemedicine initiatives, specialized professional development/enrichment opportunities for health-care providers, and rural health research activities.

The space for MSU’s departments of nursing and imaging sciences will include lecture and laboratory classrooms to support the associate and baccalaureate degree nursing programs, the radiologic technology program, and the sonography, computed tomography, and magnetic resonance program options. Also included will be faculty/staff offices and conference areas. In addition, discussion with UK continues regarding other possible educational training programs to be located at the Center.

Additionally, space will be provided for anticipated growth in these programs and the planned implementation of MSU’s new master’s degrees in nursing and in nuclear medicine. Similar space will be available to support UK’s master’s-level programs for physician assistant and family nurse practitioner programs.

CIRCLE OF EXCELLENCE

MSU is proud to welcome a special group of donors into MSU's new premier annual society, the MSU Circle of Excellence. These individuals have responded to the call to provide financial leadership to Morehead State University's greatest needs by providing unrestricted annual gifts to the University. Thanks to the generosity of these donors, the University is continuing to move forward in all areas. These donors are to be commended for their charter membership into this new donor society.

All unrestricted annual gifts made during the 2008 calendar year count toward Circle of Excellence recognition in one of five levels.

**Indicates a recent alumnus.* These recent alumni, who attended the University in undergraduate programs ten years ago or less, are eligible to participate in any of the circle of excellence levels for a contribution of half the stated level.

Employer matching gifts upgrade the significance of every qualifying gift; however, matching gifts cannot be applied to the gift to enable it to reach recognition level.

To show the University's appreciation for the support of members of the Circle of Excellence, these donors receive several unique benefits including a specially designed broach or lapel pin signifying their level of support, an MSU Circle of Excellence static decal signifying their level of support, recognition in the annual donor report, recognition at an MSU donor stewardship event, and special invitations to other annual campus events. For more information about Circle of Excellence membership, contact the Office of Development at 877-690-4483 or e-mail giving@moreheadstate.edu.

Why I support MSU ...

"MSU has played an important role in my life. The education I received prepared me well for a successful career in corporate America. In addition to a quality classroom experience, faculty and staff express a personal interest in the students' development. Being the first person in my family to receive a bachelor's degree, the added attention was significant in my professional development and confidence. For this I am most appreciative and support MSU."

Daragh Porter (77)

2008 Circle of Excellence President's Circle Member

Federal government makes it easier to give IRA disbursements

As part of 2008 Emergency Economic Stabilization Act, the federal government is once again allowing contributions to Morehead State University to be made for Individual Retirement Accounts (IRA's). The gift amount is, in turn, excluded from your taxable income. This smart way to give only applies to donors ages 70 ½ and older, and the IRA manager must transfer funds directly to a charity. As with any decision involving your financial or estate plans, we urge you to seek the advice of professional counsel.

The MSU Planned Giving Web site, www.morehead.planyourlegacy.org also can provide you with details on planned giving. The page offers general information as well as research tools such as a gift calculator to show the benefits of making a planned commitment to MSU. You may also contact the Office of Development at 1-877-690-4483 for more detailed information.

Why I support MSU . . .

“The educators who taught me how to speak in front of a group, gave me a basic understanding of accounting, introduced me to the incredible world of psychology, and fed my fascination with history, all provided me with the basic skills I have used every day of my life. Morehead is my home town, and MSU is *my* University.”

Private support remains critical to MSU's mission of providing a high quality education at an affordable cost

MSU is proud to offer a high quality education at an affordable cost. Did you know...

- MSU is the 1st KY public university to adopt a per-credit hour model to create equity for part-time students. This is a cost-effective way for these students to achieve their academic goals at their own pace.
- More than 90% of MSU students receive some form of financial aid.
- 97% of full-time, first-time degree/certificate-seeking freshmen received some form of aid during the 2007-2008 school year.
- 43% of full-time, first-time degree/certificate-seeking freshmen received Federal Grants during the 2007-2008 school year.
- Last fall, 50% of students attended MSU free of out of pocket tuition expenses.
- MSU Administrators and MSU Board members are committed to keeping tuition affordable.

Why I support MSU ...

"After completing my college degree from Morehead State University and meeting the people whom I didn't know were going to have such a large impact on my life and goals, I see why my father always said, 'there isn't a better university in this country to get a degree from.' Our family continues to support Morehead State University in all their future endeavors."

Courtney Stastyshyn (08)

Courtney is the daughter of the late Lynn Stastyshyn (66) and Krista Stastyshyn, continued supporter of MSU. Courtney is seen here with her mother and President Andrews during a sculpture dedication ceremony in 2005. The ceremony was held in memory of her father, Lynn.

GIFT IN-KIND CONTRIBUTION

Gifts in-kind contributions include physical assets, such as collections, equipment, books, works of art, software and other personal or corporate property given to the university for its use or for liquidation. We appreciate the generosity of all of our donors who contributed a gift in-kind donation during 2008. The list below reflects all donors who contributed a gift in-kind donation valued at \$250 or more during the 2008 calendar year.

Why I support MSU ...

"I believe it is important as young alumni of MSU to recognize what an important role the University played in our lives. Morehead State provided me a great education, connected me to a lifetime of friendships, and is home to some of my fondest memories. Recognizing this impact, I have made it a priority to give back so students can continue to have experiences like mine. I will always be proud to say I am an Eagle."

Gerome Stephens (01, 03)

MOREHEAD STUDENTS HAVE A TRUE CALLING FOR PHONATHON

Every semester, MSU students call alumni and friends of the University to ask for contributions to the Fund for Excellence. Through the Fund for Excellence, the greatest needs of the University are met. Gifts can also be directed to the area or fund of your choice – benefiting any part of MSU that holds special memories for you or for which you have hopes of additional progress. Your gifts offer the chance to expand on the University's success during a time when state funding proves challenging.

More than 4,500 MSU alumni contributed to the University through the MSU Foundation last year. If you have not yet shown your support this calendar year, please make your gift when an MSU student calls. We thank you for your support of our Annual Fund Program!

Why I support MSU ...

"I truly believe college is what you make of it, a place that allows you to grow and learn about yourself. I always thought I would go to school, get my degree and get a job, but along the way something happened—I fell in love with the university and everything about the college experience. I am so proud to call MSU my alma mater; it is a place that I hold dear in my heart, a place that helped define me as a person and as a working professional."
