

Major in Mathematics (Teaching)

|   |           |
|---|-----------|
| MATH 170 – Introduction to Computer Science.....  | 4         |
| MATH 175 – Calculus I.....  | 4         |
| MATH 275 – Calculus II.....   | 4         |
| MATH 300 – Introduction to Mathematical Proof.....  | 3         |
| MATH 301 – Elementary Linear Algebra, or<br>MATH 308 – Discrete Mathematics.....              | 3         |
| MATH 350 – Introduction to Higher Algebra.....  | 3         |
| MATH 365 – Introduction to Mathematical Statistics.....                                       | 3         |
| MATH 370 – College Geometry I.....  | 3         |
| MATH 371 – College Geometry II.....   | 3         |
| MATH 402 – Integrated Biology, Mathematics, and Physical Science<br>Teaching Methods.....     | 3         |
| MATH 403 – Integrated Biology, Mathematics, and Science Field<br>Experiences in Teaching..... | 3         |
| MATH 499C – Senior Capstone.....  | 3         |
| <b>Total.....</b>   | <b>39</b> |

*In addition, the Department strongly recommends that teaching majors complete MATH 276 and both Math 301 and 308.*
