

## SOCIAL SPACES AND 2<sup>ND</sup> FLOOR LOUNGE AREA

Vending machine beverages are allowed in the main hallway and lounge areas. Outside food and beverages are not allowed in the facility (except for water in a clear, resealable container).

Do not place drinks/food on any equipment or game tables (i.e. foosball and table tennis tables)

The big screen television is for everyone's use. Volume and channel control can be adjusted per request at the equipment room or front desk. Television program select is on a first come first served basis.

The television may not display programs that may be offensive. This includes racist, violent or profane programs.

Equipment for all game tables and Xbox may be checked out at the equipment room.

Patrons using the Xbox are not permitted to use their personal game ID.

Please be considerate of others. Game tables and equipment are available on first come first served basis and may be used as long as desired, provided others are not waiting to use the same table. If others are waiting, please finish your current game and surrender the table.
