AUDIT COMMITTEE MEETING  
Thursday, May 10, 2018**

The Audit Committee met at 9 a.m. on Thursday, May 10, 2018, in the DeMoss Suite of the Center for Health, Education and Research (CHER) in Morehead, Kentucky. Mr. Wayne Martin, Chair of the Audit Committee, presided.

The following Committee members were present:

Mr. Wayne Martin, Audit Committee Chair & Board Vice Chair  
Mr. Paul Goodpaster  
Mr. Eric Howard  
Ms. Kathy Walker

Administrative staff members present included: Dr. Jay Morgan, President; Ms. Teresa Lindgren, Interim Chief Financial Officer; Ms. Kelli Owen, Director of Accounting and Financial Services; Mr. Jeremy Withrow, Assistant Director of Accounting and Reporting; and Mr. Joe Hunsucker, Internal Auditor.

Mr. Goodpaster moved to approve the minutes of the November 9, 2017 meeting as distributed. Mr. Howard seconded the motion. The motion carried by general consent.

**RECOMMENDATION:** That the Audit Committee approve the extension of the auditing services contract with Dean Dorton Allen Ford, PLLC in Lexington to conduct the required annual audits for Morehead State University for the fiscal year that will end on June 30, 2018.

Ms. Owen said that KRS 164A.570 requires that an annual audit be conducted for all universities in the state system. The Bylaws of the Board of Regents provide that the Audit Committee review, evaluate, and recommend to the full Board an accounting firm to conduct the University's required annual audits. State statutes specify that the auditing firm must be selected through a request for proposal process, and that a personal services contract be issued to engage the firm.

On January 11, 2016, the University issued a request for proposals from qualified public accounting firms to perform the auditing services. As a result of that process, the Audit Committee recommended and the Board approved the appointment of Dean Dorton Allen Ford, PLLC to conduct the annual audits. The contract with the firm was for the fiscal year that ended on June 30, 2016, with the option to extend the contract for four additional one-year periods. The audit fee adjustments for the extension periods will be based on the consumer price index.

Ms. Owen stated that the services rendered by Dean Dorton Allen Ford, PLLC for the 2016-17 fiscal year were satisfactory and in compliance with the terms of the contract. The fee for the 2017-18 fiscal year will not exceed \$90,000. Dean Dorton changes the lead auditor every two years.

MOTION: Mr. Howard moved that the Committee approve the recommendation. The motion was seconded by Ms. Walker.

VOTE: The motion carried by general consent.

RECOMMENDATION: That the Audit Committee approve the minimum scope of the University's audit for the year ending June 30, 2018.

*(Minimum Scope of the Annual Audit attached to these minutes.)*

Ms. Owen stated that the Bylaws of the Board of Regents specify that the Audit Committee will review, evaluate, advise and recommend to the full Board the minimum scope of the annual audit. Further, the scope of the audit must comply with all local, state, and federal audit requirements. Among the items included in the audit is a review and evaluation of the existing internal controls, a general purpose audit of financial statements for accuracy, and an audit of financial aid. The firm will issue a management letter which will highlight any weaknesses of controls, procedures, policies or noncompliance and suggest possible improvements.

The Audit Committee discussed the possibility of a separate audit of financial policies and practices in the future.

MOTION: Mr. Goodpaster moved that the Committee approve the minimum scope. The motion was seconded by Mr. Howard.

VOTE: The motion carried by general consent.

Mr. Hunsucker, Director of Internal Audits, reported on current, completed and planned projects. *(See complete Internal Auditor's Report attached.)*

## **CURRENT/COMPLETED AUDITS**

### **NCAA Student Assistance Fund**

Mr. Hunsucker continues to review the Office of Athletics' internal controls over expenditures and disbursements related to the NCAA Student Assistance Fund. The audit will review 100% of the disbursements made during the fiscal year ending June 30, 2018.

### **Departmental Audits**

Mr. Hunsucker regularly audits various departments to ensure transactions have legitimate business purposes, comply with applicable University purchasing and travel guidelines, contain appropriate documentation, and have correct account allocations. Since his last report, he has audited 15 departments and over 4,800 transactions. The audits revealed no issues with voucher transactions. Purchasing card transactions had legitimate business purposes and complied with applicable University purchasing guidelines. Some instances of missing receipts and allocation to incorrect accounts (by default) were noted and reviewed with the cardholders and/or administrative personnel to ensure corrective actions were taken.

### **Police Department Evidence Room**

Mr. Hunsucker found no exceptions during his review process of the University Police Department's controls over evidence and property. His opinion is that the Police Department has adequate controls in place to ensure evidence and property are properly stored and maintained.

### **PLANNED PROJECTS**

Mr. Hunsucker noted that audits will be performed at selected University departments to determine compliance with applicable laws, rules, regulations and University policies. The audits will focus primarily on the areas of purchasing card usage, travel expenditures and, where applicable, cash handling. Mr. Hunsucker also plans to conduct a review of reimbursements to President Morgan for travel and other expenditures received during the fiscal year 2017-2018.

Mr. Hunsucker stated that he had provided assistance to Dean Dorton Allen Ford and to various internal units. Further, he provided a list of the professional development activities in which he had been involved during the past six months.

There being no further business to conduct, Ms. Walker moved that the meeting adjourn. Mr. Goodpaster seconded the motion. The motion carried by general consent at 9:47 a.m.

Respectfully submitted,

Sharon S. Reynolds, Secretary  
Board of Regents

**Recommendation:**

That the Audit Committee accept the audit report for the fiscal year ended June 30, 2018 as presented by Dean Dorton Allen Ford, PLLC.

**Background:**

KRS 164A.570 requires an annual audit to be conducted by all universities in the state system. The audit is to be conducted by an independent public accounting firm. On June 7, 2018, the Board approved the recommendation of the Audit Committee to appoint the accounting firm of Dean Dorton Allen Ford, PLLC to conduct the audit for the 2017-18 fiscal year. The Board also approved at that time, the Audit Committee's recommendation for the minimum scope of the audit work to be performed.

Dean Dorton Allen Ford, PLLC has completed the audit for the June 30, 2018 fiscal year. The report was issued with an unmodified opinion on the financial statements. An electronic copy of the audit report has been provided to each member of the Board of Regents.
