Awards Criteria

For the purposes of this program, *“intern” includes any experiential education placement: student teaching, clinicals, practicums, internships, and cooperative education.*

Internship Faculty Supervisor of the Year

Faculty who supported students’ experiential education **during 2019 (spring ‘19, summer ‘19, fall ‘19 semesters).**

Employers, students, deans, department chairs and faculty may submit nominations. The criteria are:

- Devotes extra effort or resources to secure experiential activities for students
- Devotes extra effort or resources to prepare students for an experiential activity
- Works with employers to ensure class instruction and site experience for students are integrated and complementary
- Demonstrates commitment to student success

Internship Employer of the Year

Employers who provided sites for students’ experiential education at any point **during 2019** are eligible. Students, faculty and staff who have interacted with the nominated employer in relation to a student internship, may submit nominations.

The criteria are:

- Devotes effort and resources to ensure students receive industry-specific skills, as well as transferable skills
- Works with MSU faculty to ensure class instruction and site experience for students are integrated and complementary
- Acts as a mentor in providing training and regular feedback
- Demonstrates a genuine commitment to the advancement of the student as a professional

Student Intern of the Year

Students who have participated in experiential education (internships, cooperative education, student teaching, practicums or clinicals), **during 2019 (spring ‘19, summer ‘19, fall ‘19 semesters) are eligible.** Employers, as well as MSU faculty and staff who have interacted with this person in relation to an internship, may submit nominations. The criteria are:

- Superior work ethic demonstrated at the employment site
- Accomplishments that exceeded expectations
- Demonstrated professionalism through communication, teamwork and critical thinking
- High quality and quantity of work
