

MILITARY CARE PACKAGES

MSU's Office of Military Initiatives is collecting letters, snacks, and small inexpensive fun things for Kentucky National Guard Soldiers.

All MSU departments, students and other organizations willing to write or donate can coordinate a time to drop off at the **LTC Alan Baldwin Veterans Resource Center, Breckinridge Hall 304, NLT Feb. 24, 2021.**

"Dear Soldier" is a suitable greeting for all letters followed by a few lines of encouragement. You can use your department's cards. Cards will be available to pick up in the Veterans Resource Center in early February.

Make sure to send nonperishable snacks. Do not send pork, beef or personal hygiene items.

For more information, contact **Dr. Silas Session** at **606-783-9267**
or email ssession@moreheadstate.edu.
