Complete your information and take it to your defense to be signed by the committee members if you successfully defend. This is the contact information we will use to communicate with you on your Thesis/Applied Project. Please scan and upload this approved form when submitting the thesis or applied project for review at: <http://www.etsadmin.com/cgi-in/main/home?siteId=590>

WARNING : While the Graduate School will check the thesis for proper format and pagination at the time of submission, it cannot assume any responsibility for editing or correcting the thesis. Therefore, each author should take care to proof for spelling and format, as well as the inclusion of all components, before submitting the thesis to the Graduate School for final review. Note that the Graduate School cannot accept replacement copies or other changes once the final thesis has been submitted.
