**Next Steps**

- Send back for revision**  
This report will be sent back as a provisional evaluation to help guide the author's revision. The author will have to resubmit work in order to be re-evaluated.
- Save a copy of this submission?**
  - Yes - A snapshot of this submission will be saved for both author and evaluator records, and the author will be prompted to create a new submission from scratch (although they will be able to view their previous submission for reference).
  - Allow author to import previous submissions into current submission
  - No - A snapshot of this submission will NOT be saved to either the author or evaluator records, but the author will be able to overwrite this submission rather than start from scratch.
- Record as final but release evaluation to author later**
- Record as final and release evaluation to author now**  
Author will immediately receive this evaluation report.
