## International Student Orientation

Jan. 10, 2014

202A Breckinridge Hall

## Welcome!

Welcome to Morehead State University (MSU) and the Morehead Community.

For your assistance throughout the semester, the Office of International Student Services is located at 422 University Blvd., and can be reached by calling 606-783-2096.

We have assembled a group of presenters today who will speak with you about their roles on and off campus and to let you know how to access them for assistance.

If you have not already reported to the Office of International Student Services, please do so at the earliest opportunity to cover your immigration orientation. For this orientation, please bring all of your immigration documents.

At the beginning of each semester, you will need to report to the Office of International Student Services to be registered in SEVIS. Failure to do so could result in the automatic termination of your I-20 or your DS-2019 form, causing you to fall out of legal immigration status.

The Office of International Student Services would like to thank all the presenters for participating in today's orientation session for new international students. We appreciate the time you have taken out of your very busy schedule to be a part of the orientation and to present your very vital information to our new students.

We extend a special thanks to Dr. Phillip Krummrich and the student volunteers from MSU Honors Program and to Reverend Gene Parr and the student volunteers from the Baptist Campus Ministry, who have volunteered their time to spend with our new students during lunch today and for the walking tour of campus and the campus area. Heartfelt thanks to all of you!
